

Professional Services Offering: Alation Momentum

Continue your journey with the Alation platform by leveraging expert guidance and support

Continue your Alation journey for an additional 60 days with your existing Right Start consultant as you curate, deploy, and expand catalog adoption. Alation Momentum leverages the achievements of your Alation Right Start journey, emphasizing the broadening of your data catalog to include new teams, while also providing support to recently onboarded users, ensuring seamless integration with your new platform.

Keep Up the Momentum

Your Alation Consultant will lead a series of workshops and hands-on sessions to continue to build upon the value of the Alation Data Catalog, including:

- **Catalog Design and Best Practices:** Continue to explore advanced catalog features and strategize on best practices to maximize the value of your catalog. This includes such topics as additional homepage customization, catalog capability exploration, expanding curation and onboarding processes, and more!
- **DocuJam Curation Workshop:** Jumpstart adoption, accelerate time to value, and build excitement around your catalog through an interactive DocuJam Curation Workshop. Engage your newly onboarded end users and populate your catalog in a focused, concentrated effort.
- **User Onboarding:** Leveraging the onboarding framework created during the Right Start, your Alation Consultant will support the onboarding of two additional teams to the Alation platform.
- **Office Hours:** Extend tailored support to newly onboarded catalog users through a series of Office Hour Sessions led by your Alation Consultant, ensuring seamless integration and effective utilization of the platform.

What We'll Accomplish

Continued Catalog Design and Guidance

DocuJam for Swift Curation

Extend Usage to New Teams
